Member Private Boat Storage

Policy No. 2018-05

Adopted May 6th, 2018

Amended March 29th, 2022,

Amended Feb 5th, 2024

TERMS AND CONDITIONS

1. Definitions in this agreement:
 - a) "Boat" means the vessel/canoe owned or controlled by the Owner and all related accessories and accompaniments while at the Fraser Valley Paddling Club (FVPC) storage area, regardless of whether in or out of the water. This includes necessary boat parts (e.g. seats, rudders, amas, aikos) but not personal equipment (e.g. pfd's, paddles).
 - b) "FVPC storage" means any owned/rented/leased facilities in which FVPC operates its activities and includes any of the storage structures, equipment, accessories used to store, hold or transport boats while in or out of the compound.
 - c) "Operator" means FVPC and its respective officials, directors, officers, servants and agents.
 - d) "Owner" means the owner(s) of the Boat and their respective officers, servants, agents, invitees and/or the parties placed in control of the Boat by the Owner. The Owner must at all times be a member in good standing of FVPC.
2. The Owner hereby releases and discharges the Operator from all liability for any damage to or loss of the Boat or any property stored at the FVPC storage belonging to the Owner, and for any personal injury or death suffered by the Owner or by any other person on or about the FVPC storage.
3. The Operator is NOT liable for loss or damages of any kind; it is highly recommended that Owners purchase property insurance sufficient to cover the replacement cost of any and all equipment stored at the FVPC storage. All owners' equipment must be clearly identified.
4. The Owner covenants to indemnify and save harmless the Operator from all loss (including all consequential economic loss), damage to their own or others boats, injury or death caused by or arising from docking, storage, inspection, maintenance, repair, use or operation of the Boat.
5. The release and covenant of indemnification given herein shall apply and continue notwithstanding termination of this Agreement, breach of this Agreement by the Operator, or negligence on the part of the Operator or any of its officers, directors, employees or agents.
6. Anyone wanting to store boats and have use of the storage facility must be a current active member in good standing of the Fraser Valley Paddling Club.

7. This agreement may be renewed annually. FVPC reserves the right to allocate all available space to club equipment. Private boats will be accommodated as space is available with priority given to those boats used for regular training and not for boats that are not in use. The operator reserves the right to move owner's equipment if required with notice. The owner's equipment must not be locked or secured in a way as to prevent such movement if required.
8. The FVPC requests a donation of \$125.
